

Introduction of Online Japanese Language Learning Platform

Embassy of Japan in Botswana

8th March 2017

The Embassy of Japan in Botswana is pleased to announce that the Japan Foundation (JF) has now released 'JF Japanese e-Learning Minato' (<http://minato-jf.jp/>) which is an online Japanese Language learning platform, designed to offer opportunities to study Japanese Language for the people who cannot attend an actual Japanese Language class in the world.

At this platform, there are not only 'self-study courses' but also the 'tutor support courses' that provide assistance of assignments, evaluations, and live lessons with teachers. 'Minato' means 'Harbor' in Japanese. Therefore, registrants are able to not only learn Japanese but also meet other learners of Japanese language all over the world via online communication.

The Embassy of Japan kindly invites Botswana to expand their understanding and knowledge of Japan, Japanese people, Japanese culture and Japanese Language.
