

Courtesy Call by JICA Volunteers on Ambassador OHMORI

10th May 2024

On the 8th May, Ambassador OHMORI Setsuo received a courtesy call from three JICA (Japan International Cooperation Agency) Volunteers. One of JICA volunteers is returning to Japan after completing her two years assignment. She was dispatched to the Botswana Softball Association and extended technical assistance for National Female Softball Team and some softball club teams in Botswana, as well as making a significant contribution to the sports exchange between Japan and Botswana.

Ambassador OHMORI welcomed two new JICA volunteers who arrived in Botswana last month. Each volunteer has extensive experiences in the field of marketing and small and medium-sized business development to support the community development. They will be dispatched to their respective host-organizations by the end of this month.
