

Farewell Courtesy Call by JICA Volunteers on Ambassador OHMORI

25th July 2024

On the 24th July, Ambassador OHMORI Setsuo received a courtesy call from two JICA (Japan International Cooperation Agency) Volunteers who are returning to Japan after completing their assignments. They served as JICA volunteers for 2 years from August 2022 to July 2024.

One of the volunteers provided environmental education at primary schools in her areas of dispatch, teaching separate garbage and environmental improvement, whilst the other volunteer was attached to a local NGO to provide extra activities after school such as art and sanitation activities for students and people with disabilities. They both also made a significant contribution to the cultural exchange between Japan and Botswana.

Ambassador Ohmori expressed his appreciation for their efforts and encouraged them to make the most of their experience in Botswana after returning to their hometowns.

JICA Volunteers are dispatched by JICA to local governments, educational institutions and NGOs in Botswana, where they work in various fields in cooperation with local organizations, residents, schools, etc. in each community.
