3rd December 2024

On the 2nd December, 2024, Ambassador OHMORI Setsuo welcomed eight new JICA volunteers who arrived in Botswana last month. Each volunteer has extensive experience in their assigned field, including Environmental Education, Support for children with disabilities, Community Development, Marketing, Business Administration, Waste Management and Computer Technology. They will be dispatched to their respective host-organizations by the end of this month.

Currently, there are 32 JICA volunteers in Botswana. Some of the new arrivals will work in the northern region of Botswana, in places such as Maun, Kasane and Masunga.

JICA Volunteers are dispatched by JICA to local government, educational institutions and NGOs in Botswana, where they work in various fields in cooperation with local organizations, residents, schools, etc. in each community.
