Common Mistakes when Applying for GGP grant fund

Please note that the following will result in automatic disqualification:

1. Incomplete application: submitting a proposal that lacks clarity and required information.
2. Missing or incomplete documentation, for example: quotations, financials, registration certificates etc.
3. Ineligible budget: including items in the budget that are out of scope for the grant. Please read the Information Sheet to understand what can be covered by the grant funds.
4. Lack of sustainability: failure to demonstrate project continuity post grant funding.
5. Project proposals outside of the scope of GGP
6. Failure to demonstrate community involvement: show project participation by target community.
7. No demonstration of a proven track record in the sector of the proposed project.
8. Lack of clarity on project beneficiaries
9. No demonstration of inputs, outputs and expected outcomes.
10. Late submission
